PREMIUM LUBRICANTS

LUBRICANT QUICK REFERENCE GUIDE

PASSENGER CAR MOTOR OILS

Service Pro® Premium Full Synthetic Motor Oils are formulated using highly refined virgin synthetic base oils and select additive chemistry to provide optimum fuel efficiency and maximum protection against wear and corrosion. Service Pro® Premium Full Synthetic Motor Oils meet or exceed the OEM requirements for indicated engine applications.

Service Pro® Premium Full Synthetic dexos1™ SAE 5W-30 Motor Oil is a top tier, full synthetic motor oil licensed and approved by General Motors to meet the GM global engine oil specification.

Service Pro® Premium Synthetic Blend High Mileage Motor Oils are specifically formulated to provide greater protection and longevity for older engines in all operating conditions. These oils are blended from highly refined virgin synthetic and conventional base oils with select additive chemistry for optimum performance.

Service Pro® Premium Synthetic Blend Motor Oils are premium-quality, high detergent automotive engine oils specially formulated to meet the stringent lubrication requirements of today's engines. A unique blend of synthetic and high viscosity index Group II mineral oils combined with a carefully selected additive package provide maximum protection against wear, rust, corrosion, oxidative thickening, acid formation, sludge and varnish deposits.

- **Full Synthetic 0W-20, 5W-20, 5W-40 and 10W-30**
- **Full Synthetic dexos1™ 5W-30**
- **Synthetic Blend High Mileage 5W-20, 5W-30 and 10W-30**
- **Synthetic Blend 5W-20, 5W-30 and 10W-30**

Available in quarts, 3/5 quarts, pails, drums and bulk

HEAVY DUTY ENGINE OILS

Service Pro® Premium Heavy Duty Engine Oils represent the highest level of engine protection and performance. These oils are formulated for use in diesel engine applications, including emission controlled engines with EGR and diesel particulate filters using Ultra-Low Sulfur Diesel fuel (<15 PPM Sulfur) (ULSD) and Low Sulfur Diesel (LSD).

- **15W-40 HD CJ-4**
- **15W-40 Synthetic Blend CJ-4**

Available in quarts, pails, drums and bulk

AUTOMATIC TRANSMISSION FLUIDS

Service Pro® Global Full Synthetic Multi-Vehicle ATF represents the latest technology in full synthetic automatic transmission fluids. It is specifically formulated for high efficiency transmissions and is also a fuel efficient choice for older models. Service Pro® Global Full Synthetic Multi-Vehicle ATF may be used in a wide variety of applications including General Motors, Ford, Chrysler, Toyota/Lexus, Nissan/Infiniti, and Honda/Acura transmissions; as well as transmissions installed in many Hyundai, Isuzu, Jaguar, Kia, Land Rover, Mazda, Mercedes, Mitsubishi, Porsche, BMW, MINI, SAAB, Subaru, Suzuki, Volvo and VW/Audi cars and light trucks.

Service Pro® Premium Multi-Vehicle Synthetic Blend ATF is a new generation automatic transmission fluid recommended for use in automobile and truck transmissions, power-shift transmissions and other types of service requiring an approved Ford Mercon® V, Mercon®, Dexron® III-H or Allison C-4 automatic transmission fluid. It is approved for use in Voith Transmissions and for ZF applications TE-ML 03D, 04D, 14B, 16L and 17C.

Service Pro® Premium Multi-Purpose Automatic Transmission Fluid is recommended for use in automobile and truck automatic transmissions, power-shift transmissions and other types of service requiring an approved and licensed GM Dexron® III "H" or Ford Mercon® automatic transmission fluid (also exceeds the requirements of Dexron®-IIE, IID and II specifications).

- **Global Full Synthetic Multi-Vehicle Automatic Transmission Fluid**
- **Multi-Vehicle Synthetic Blend Automatic Transmission Fluid**
- **Multi-Purpose Automatic Transmission Fluid**

Available in quarts, pails, drums and bulk

All products manufactured with highly refined virgin base oils
See Product Information Sheet and Material Safety Data Sheets/Safety Data Sheets available at www.service-pro.com

GEAR OILS

Service Pro® Premium Synthetic Gear Oils* are multi-purpose gear lubricants designed for API Service Classification "GL-5" and "MT-1". These products are compounded with highly refined synthetic base oils and premium additives to ensure extreme pressure characteristics, anti-wear, corrosion inhibition, rust preventions, low pour point, and anti-foaming performance. Service Pro® Premium Synthetic Gear Oils are fully formulated for all limited slip differentials.

Service Pro® Premium Gear Oils are multi-purpose sulfur/phosphorous type gear lubricants designed for API Service Classification "GL-5" and "MT-1" capabilities for non-synchronized manual transmissions in heavy duty systems. Premium GL-5 Gear Oils are compounded with highly refined paraffinic base stocks and additives to ensure extreme pressure characteristics, anti-wear, "limited slip", corrosion inhibition, rust preventions, low pour point and anti-foaming tendencies.

- **Gear Oil Full Synthetic GL-5 75W-90* and 75W-140***
- **Gear Oil GL-5 80W-90 and 85W-140**

* Not approved for Eaton Road Ranger or ArvinMeritor Extended Warranties

Available in quarts, pails, kegs, drums and bulk

TRACTOR & HYDRAULIC FLUIDS

Service Pro® Premium Universal Hydraulic Tractor Fluid is a highly formulated lubricant containing anti-rust, anti-foam and oxidation inhibitors to ensure maximum equipment performance and longevity. This product contains the additives necessary to meet the wide range of applications recommended by various tractor manufacturers and meets the J20C requirements.

Service Pro® Premium AW Hydraulic Oils are premium quality anti-wear hydraulic oils rated at 5,000 service hours with excellent stability, and designed to meet the most stringent requirements of most major manufacturers of hydraulic equipment. These oils are characterized by outstanding rust protection, low deposit formation, good demulsibility, rapid release of entrained air, oxidation resistance, low pour points and good anti-foam properties.

- **Premium Universal Hydraulic Tractor Fluid**
- **Premium Hydraulic Fluid ISO AW 32, 46 and 68**

Available in pails, drums and bulk

EP-2 & HI TEMP GREASES

Service Pro® Premium Hi Temp Grease is an exceptionally versatile multi-purpose grease that provides superior protection in a wide variety of severe duty automotive, trucking, industrial, mining and construction equipment applications. Service Pro® Premium Hi Temp Grease contains extreme pressure (EP) additives to minimize wear in heavily-loaded components and is suitable for use at higher temperatures than conventional greases.

Service Pro® Premium EP-2 Lithium Grease is a versatile all-purpose grease formulated for normal temperature and speed conditions in non-critical service applications.

- **Hi Temp Grease**
- **EP-2 Grease**

Available in tubes, pails, kegs, drums and bulk

All products manufactured with highly refined virgin base oils
See Product Information Sheet and Material Safety Data Sheets/Safety Data Sheets available at www.service-pro.com

PREMIUM LUBRICANTS

PRODUCT WARRANTY STATEMENT

The Association of Independent Oil Distributors (AIOD) hereby warrants that all Service Pro® Premium Products are manufactured to meet or exceed the physical and performance specification as stated in the appropriate product information sheet or catalog. AIOD further warrants all Service Pro® Premium Products against specific failure when used in accordance with the original equipment manufacturer's recommendations. AIOD shall not be held liable for misuse or misapplication of its products. Questions concerning product specifications should be directed to the locally authorized Service Pro® distributor or AIOD at 800-313-2463. All product information and MSDS/Safety Data Sheets are available at www.service-pro.com.
