3-7.5 & 15 HP | RECIPROCATING AIR COMPRESSORS

Value Plus

Ultimate Value

Exceptional Performance

A Winning Combination

Champion compressors are proven units, known for their reliability over decades of use. We know our products and understand how they operate in many different operating environments. No matter the application, Champion gets the job done.

Value & Quality Collide

The Value Plus compressor line was engineered for industrial applications that require a gas or electric driven compressor. Each compressor was designed with top quality bearings, cast iron cylinders, vibration free compressor pumps to insure longevity of the compressor package. The Value Plus is another quality product in the Champion line of air compressors.
